## **HOMEWORK-ASSIGNMENT DUE** - ASSIGNMENT - Chain of Command Assignment

Assigned: Mod 01 Ses 04 "Chain of Command"

NTF: Instructions were: Follow the instructions on the handout. You will list the Chain of Command for your agency, and for this academy class.

Collect the assignments to verify every recruit completed it. Once you've looked them over, hand them back to the students.

## **HOMEWORK-ASSIGNMENT DUE** - Autobiography Memo and Presentation

Assigned: Mod 01 Ses 01 "Academy Overview [Day One]"

NTF: Collect the Autobiography memos for the student files.

Each recruit will have 5 minutes to give their presentation. Keep them on time.

If the recruit desires to be in the class leadership (squad leader, VP, or pres.), now is the time for them to tell the class.

Take an opportunity at this point to introduce yourself to the class if you have not done so already. Let them know about your career and background.

## **JOURNAL-IDEA** - Working with a Group of 30

Instructions: Consider journaling about the following:

- How will working with a class of 30 recruits be similar or different from the teams you've been in before?
- Are there any techniques you will try to use to "get along" with the class?
- How can you be the best teammate possible?
