W.S.C.J.T.C. Incident Report Narrative

Incident Number

(INTRODUCTION)

On 09-06-2014 at 1300 hrs. V-Scar arrived home to find his neighbor, S-Green spraying weed killer on Scar's front lawn. Scar confronted Green, telling her that he did not want chemicals on his lawn. Green told Scar that she was sick of his weeds spreading to her yard. Scar told Green to leave his property and when she refused, he pushed her. Green responded by hitting Scar in the head with the sprayer canister and then went into her house. Scar called 911 and I was dispatched at 1400 hrs. I arrived at 1430 hours and observed several people standing in the street. I noticed that a man was seated on the curb and there was blood on his face.

(BODY)

I contacted the man and identified him as Scar. Scar was bleeding from his nose and refused aid. According to Scar, his neighbor, Green punched him in the nose. Scar said that he has had an ongoing problem with Green because of all of the chemicals that she uses on her lawn. Scar said that he had told Green numerous times to keep off of his property and that she was not to spray chemicals near his property. Scar said that at about 1300 he arrived home on this date and found Green in his front yard, spraying weed killer. Scar confronted Green and told her to leave. According to Scar they continued to argue and that Green refused to leave his yard. Scar said that he pushed Green towards her property and that it was then that Green punched him in the face. Scar said that Green then went back home and that Green then left her house about 10 minutes ago in her vehicle. Scar said that he wanted to press charges against Green for the assault and for trespassing.

I also contacted W-Brown who lives across the street from Scar and Green. Brown told me that Scar and Green had been fighting for years over just about everything. On this date, Brown was sitting in his front yard and heard yelling across the street. He walked to the sidewalk and could hear Scar and Green arguing about weed killer. Brown said that he could clearly hear Scar telling Green to leave his property, but that she refused. Brown said that he watched as Scar pushed Green towards her property. I asked Brown how hard was the push and Brown said that she barely budged. Brown said that he was surprised to see Green punch Scar in the nose. Brown said that after Green punched him, that she walked back over to her house. He said that he called 911 and then went over to see if Scar was okay. Brown also said that he saw Green leave in her Mercedes about 10 minutes ago.

I took a written statement from Scar and photographed his injury as well as the front lawn areas of both residences. I also took a statement from Brown. I contacted the Green house, but there was no answer. I left a business card on the door, requesting that Green contact me when she returns home.

(CLOSING)

I explained to Scar how to apply for an anti-harassment order and then cleared the scene. I entered the photographs into evidence and submitted my report for approval and referral to the prosecutor's office.
