The following occurred in the City of Burien, WA while I worked uniformed patrol in a marked patrol car for the WSP. On (current date) at 0600 hours, I was driving SB on 1st AVE S. approaching SW 148th St. when I noticed a red, 2 door Ford Mustang driving in front of me. I saw the Mustang, WA license 123ABC, make a right turn from SB 1st AVE S. to SW 148th St. without signaling the turn. I followed the Mustang, activated my vehicle's emergency lights, and stopped it on SW 148th St. just west of Ambaum Blvd SW. I approached the Mustang and contacted the driver/sole occupant.

I introduced myself, advised him of the reason for the stop, and asked for his driver's license, registration, and proof of insurance. The driver provided the above information. I identified him via his valid WA license as Royal P. Lavender, DOB 02-10-1982. I asked Lavender why he failed to use his signal for the right turn? He told me he forgot. I asked if they worked and he said they did. I check his status with DOL and they returned clear. I issued Lavender a citation for failure to signal for a right turn.

I explained the citation and ended contact with Lavender. I had no further contact with him, and he left the scene without incident.

I certify under penalty of perjury the laws of the State of Washington that I have issued this on the date and at the location above, that I have probable cause to believe the above named person committed the above offense, and my attached report is true and correct.
